New Prime Discount Program Replaces Standard Dealer Discount and SPARK.

In an effort to make it easier to access pricing for small to medium opportunities, the standard dealer discount and SPARK ("SMB") contracts will be replaced with one combined pricing program that provides competitive discounts for the full product offer and is easy to access. The new program is called the Prime Discount Program and will replace the existing Standard Dealer Discount and SPARK contracts. (See bulletin dated Nov. 27, 2018 on Omni)
