Cat	Qty	Part Number	Part Description	List	Ext List
NL2	1	NACELIQ2PPG	ACCESSORIES.INTERLINK IQ POWER/USB.ADD-ON	\$ 527.00	\$ 527.00
NL2	1	B1-29MB		\$ 0.00	\$ 0.00
				\$ 0.00	\$ 0.00
Grand Total					\$ 527.00

Tools menu items: Preferences..., Contacts..., Visual Impression, Visual Materials, Report Designer, CoverPage Designer, Panel Builder, Search, Compare, Manufacturer Specific, User Defined.

Manufacturer Specific sub-menu items: Part Number Conversion Wizards..., Assembly Conversion Wizards..., Global Order Entry Field Import...

Part Number Conversion Wizards... tooltip: Run a manufacturer-specific part number conversion

3. Select **National** then **Open**

Available Converters

Code	Manufacturer
NOF	National

Open Close

4. Select **Next**

Conversion Wizard

Prepare for the Conversion
Choose which items will be converted and configure how the conversion will proceed.

What Should Be Converted?

Items in the current worksheet
 Convert selected items only

Make a backup copy of the current worksheet and convert all items in the backup
C:\Users\hassfu\Documents\CAP\Projects\WOF Convert TEST-converb ...

Conversion Preferences

Consolidate the worksheet before conversion
This can reduce the number of items that need to be converted and reduce the number of times you may be asked to intervene to resolve ambiguities.

Update the worksheet against the catalogs after conversion
This can ensure accurate pricing and complete catalog information for the converted items. Also, option selections will be validated against the new catalogs.

< Back **Next >** Finish Cancel Help

5. Select **Next**

Conversion Wizard

Perform the Conversion
Prepare the worksheet and execute the conversion.

Backup
✓ Using the worksheet's backup copy (3 total items)

Consolidate
✗ The worksheet will not be consolidated

Convert
✓ Conversion complete!
[Progress bar] Abort

Update
✓ 3 items updated, 3 items changed

Summary
✓ 3 items were converted, 0 items were not converted, and 0 items were not eligible for conversion (press 'Next' to see a detailed list)

< Back **Next >** Finish Cancel Help

6. Notice that the old Part # and New Part # are different. Select **Finish**

Conversion Wizard
 Results of the Conversion
 View detailed results of the conversion.

The following items were converted successfully.

Mfg	Old Cat	New Cat	Old Part #	New Part #	Action
NOF	NL2	NL2	NACELIQ2PPG	NACG12AELPDI...	Model
NOF	NL2	NL2	B1-29MB	CBV2928P2BP	Model
NOF	NL2	NL2	WW1836WSSL	WW1836WSSDL	Model

The following items did not convert. This may be because the item does not have a new catalog code or part number, or is a custom catalog item.

Mfg	Cat	Part Number	Part Description
-----	-----	-------------	------------------

Save Log...

< Back Next > **Finish** Cancel Help

7. The new model numbers are in the Part Number field and the file name is saved with "converted" in the name. The original specification file/name still exists.
