Processor: 2.0 GHz multi-core processor CPU or greater

System Memory: 8 GB RAM

Disc Space: 10 GB free disk space for software; 10 – 60 GB for manufacturer content

Graphics Card: DirectX 11 compliant Windows dedicated graphics card with 4 GB of video memory

Screen Resolution: 1920 x 1080, Windows 10 Creator's Update recommended for high DPI displays

Internet: High speed Internet connection

Security Device: Free USB port for hardware dongle (for legacy licenses only)

AutoCAD by Autodesk: (required for 2020 Cap only) AutoCAD 2018, 2019, 2020, 2021

Notes

- Please note Microsoft discontinued support for Windows 7 on January 14, 2020
- For a network environment for storing the manufacturer content Windows 2008 Storage Server or better is recommended
- Terminal Server, Citrix or virtual environments are not supported
- To validate your hardware for AutoCAD please refer to the Autodesk [Certified Hardware](#) tool
- Please note that "2020 Office v2020" is also known behind the scenes as "v21.0"
